RELEASE INTERNATIONAL voice of Persecuted Christians

Release International

is pressing Malaysia to set free a Christian pastor, Raymond Koh, who was abducted in a military style operation three years ago and hasn't been seen since.

Please continue to pray for his release.

Marketplace
will be held on
Saturday 4th April
from 11 until 3

There will be lots of stalls selling a selection of items, including Duncan Barker's book-stall and the craft class

stall.

As usual, we hope to have the famous 50 pence stall where we sell any unwanted items for 50pence.

We rely on the Church folks to donate to this stall and look forward to receiving your donations.

It would be lovely to see you all there on the day.
